There are 12 hours of tuition, divided in 4 days. The 3 hours are split into reading, listening and grammar exercises to suit your level of Spanish, and one-to-one oral practice.

Some of the actives are optional. You may decide to stay in the garden and relax or go for a walk.

The idea is total immersion in Spanish. We'll talk Spanish all day among us and with a range of people staying or visiting us. We'll try to go to the cinema or theatre if possible.
